📍 Arvada, CO

in [Linkedin.com/in/emilylandresen](https://www.linkedin.com/in/emilylandresen)

I am a graphic designer with an interdisciplinary background. Integrating client feedback and brand identity are my top priorities. I'm confident in my ability to design graphics that are strongly composed and memorable. I'm committed to continue learning and driven to exceed client expectations.

## EXPERIENCE

### Freelance Graphic and Landscape Design

Arvada, CO Aug 2022 - July 2023

Delivered visually engaging designs for various residential landscape projects. Collaborated with clients to translate their ideas into compelling visual solutions while maintaining a keen eye for detail.

### Planting Consultant/Sales Associate

O'Toole's Garden Center May - Sept 2019, 2020, 2021

Communicated with clients to create digital and analog planting plan documents. Assisted in upkeep of plants and products and designed store displays.

## PROJECTS

### Snow Reservoir

Eldora Ski Resort, Nederland, CO Jan - May 2022

- Independently designed and developed a magazine spread and graphics for LA+ Journal
- Prepared illustrative images, scaled renderings, diagrams, maps, and infographics
- Organized graphics into various print types and digital forms while preserving visual consistency

### The Habitat

Crest View Elementary, Boulder, CO Aug - Dec 2021

- Collaborated with a team of designers to redesign a schoolyard, design a presentation, and created and distributed site maps
- Prepared graphics that consisted of diagrams, logos, renderings, maps, and icons
- Utilized skills in typography and layout to organize graphics into a presentation and deliver to client
